Day 30	Tuesday	Action	Brand Trust	Your Health Journey Deserves Science, Support and the Right Medical Team	Carousel

Month-End Outcome

- Complete the AIDA journey with educational, trust-building and soft-conversion content.
- Encourage readers to seek reliable medical guidance and continue engaging with Dr. Godly's educational content.

Weekly Flow

- Week 1: Grab attention with myths, obesity awareness and metabolic education.
- Week 2: Build interest through science-backed educational content.
- Week 3: Create desire by highlighting doctor-led care, patient psychology and evidence-based guidance.
- Week 4: Encourage action with preventive health, assessments and trust-building content.
